A PMI Entertainment Group Managed Facility

1901 South Oneida Street • Green Bay, Wisconsin • 920.494.3404

TECHNICAL INFORMATION

Conveniently located and connected to the Brown County Veterans Memorial Arena on the west and the Resch Center Arena on the east, this 43,000 plus square foot, column-free exposition hall, is ideal for large trade shows or banquets as well as for medium-sized concerts and sporting events.

ShopKo Hall

Constructed in 1986, the Exhibition Hall was recently renamed ShopKo Hall. This 43,680 square building is located between the Brown County Veterans Memorial Arena and the Resch Center. The large, column-free floor space of 240' x 182' makes it ideal for large trade shows, conventions, seminars, banquets and intimate concerts or dances. Two large over-head doors in the back allows for a quick and easy move-in of large pieces of equipment or even 18-wheel semi-trailers.

The only building in Green Bay to have exclusive Road Runner high-speed internet access service throughout. Electrical power, both 110 and 220, is easily accessible along with phone lines in flush power boxes in the floor every thirty feet. A large lobby, enclosed ticket office, a private show office, 4 rest rooms and 2 concession stands all make for everything you will need to help make your event as successful as possible.

When all 3 buildings are used for the same event, you have the largest area available North of Milwaukee or Madison. Over 100,000 square feet available with seating for over 16,000 - Your next trade show or convention belongs in ShopKo Hall.
